

BETHANY POLICE DEPARTMENT  
PRESS RELEASE

The Bethany Police Department is proud to announce that Captain Brent Green graduated from the 269th session of the FBI National Academy on September 15, 2017. The National Academy is held on Marine Corps Base Quantico in Virginia.

Internationally known for its academic excellence, the National Academy program, held at the FBI Academy, offers ten weeks of advanced communication, leadership, and fitness training for selected officers having a proven record of professionalism within their agencies.

The 269th session was attended by 224 law enforcement professionals from 48 states, 22 countries, 5 military organizations, and 6 federal agencies. The National Academy was formed in 1935 and has graduated 50,365 police personnel.

Approximately only one percent of those that apply for the National Academy are accepted. It speaks to Capt. Green's professionalism and expertise that he was accepted into this prestigious program. The Bethany Police Department now has three National Academy graduates in leadership roles. We congratulate Capt. Green on his outstanding achievement. Captain Green will resume his duties as Patrol Division Commander upon his return.
