Frequently Asked Question's Pafford Ambulance Billing & More

City Hall occasionally receives calls from residents of Bethany questioning why they received a bill from Pafford for an ambulance ride. We have the answer to this question and many others on our website. Go to the **Customer Service & Utility Billing** page under **Departments** to learn more.

If you would like to report an issue to the city, **REPORT A CONCERN** is a staff monitored feature on our website that allows you to easily and anononously create a report that is sent directly to the responding department. Working together, we can make a difference in the City of Bethany!
