These charges are set at a level to compensate the municipality for the actual costs incurred in honoring your request. • You may be required to pay in advance if estimated costs exceed \$55 or if you have outstanding fees from prior requests. Any amount paid in excess of actual costs will be refunded. 51 O.S. § 24A.5(4) • You may be asked to clarify your request if the request does not describe the records with reasonable specificity. To have reasonable specificity, a request shall: “a) specify a general time frame within which the requested records would have been created or transmitted, b) seek identifiable records, rather than general information without any qualifiers or other specifications, and c) include search terms that are sufficiently specific to assist the public body in identifying the requested records.” 51 O.S. § 24A.5(7) • The municipality may ask you to clarify your request. If the municipality has engaged with you to seek the information needed to fulfill the request and to identify the records sought by you, including providing you with general topics or a specific list of records related to the request, the request may be denied if it is still not reasonably specific. 51 O.S. § 24A.5(7), • The municipality has the ability to determine whether a request is for a commercial purpose. 51 O.S. § 24A.5 (4), 51 O.S. § 24A.40 • The public body is permitted to email records but is not required to do so.
